

Role

Senior Acoustic Consultant

Location: London (Candidate will be required to travel internationally)

I have an urgent requirement for a Senior Acoustic Consultant in London.

This is a unique opportunity to join an expanding international acoustic consultancy. The company has offices in the Middle East, the Far East as well as other exotic locations and there is the opportunity to travel internationally.

Candidates will require 5-10 years experience which will incorporate; Rail noise and vibration, Construction noise, Mechanical and ventilation and Environmental noise. Salary is likely to be circa 35-45k, although flexible for exceptional candidates.

All candidates **MUST** reside in the UK and be Eligible to work in the UK.

Please contact Karl Able for further details. kable@candovergreen.com
