

Transport Controller

London

£Attractive

We are working with a leading waste management company who are looking for an experienced transport controller to join their expanding team and take on responsibility for ensuring safe, profitable and compliant operation of the transport function, whilst working closely with all team members and contributing to maintaining excellent management of the operation and seeking constant improvements to the service, this will also include liaising with drivers throughout working days to monitor progress and take necessary measures to ensure the completion of work for each day and taking on responsibility for daily driver debriefs, as well as a number of other tasks as appropriate.

To be considered you must have a full UK driving licence, ideally a National CPC and you must have proven experience and knowledge of the waste and/or transport industry.

For full details please email your CV to Rebecca@candovergreen.com quoting **Job Ref: RB2002**
