

Bid Estimator

London

£Attractive

We are working with a leading Waste Services Company who have the requirement for an experienced Bid Estimator who will report to the Tendering Business Partner and support the Business Development and Tendering teams with the preparation of financial models for a portfolio of large scale existing and new contracts. You will provide financial input on all bids, from qualification through to contract signature, and take on a number of other responsibilities such as; capturing and updating all operational and non-operational ratios and analysis.

In order to be considered you will have at least 3 years experience in financial modelling and accounting, have a degree in Finance or similar qualification and have provable experience in costing and pricing methodologies within the waste management sector. This role will also require you to be flexible with working hours as extended hours and weekend working will be required at times, along with overseas travel.

For all details please email your CV with cover letter to Rebecca@candovergreen.com stating the **Job Ref: RB2034**
