

Depot Manager

North West

£Attractive

A leading recycling company has a new opportunity for an experienced Depot Manager to join it's team in a challenging but rewarding working environment where you will take on responsibility for the Operations and Commercial activities of one of the busy depots, including providing support and leading a team of operations and administration staff, as well as managing visitors, customers, drivers and contractors.

You will also take commercial responsibility for the site and with the Area Manager's support develop a good understanding of costings and price boundaries as well as ensuring the depot is working in line with Health & Safety regulations & industry legislation.

To be considered you will have previous leadership experience in a relevant industry; e.g. waste, aggregates or construction, and have appropriate qualifications including WAMITAB (preferred).
