

Department Manager (Operations Manager)

East Anglia

£Attractive

The successful candidate will be supported by the Depot Manager and will drive and influence the site performance, work with a wide range of divisions/functions to develop your knowledge, whilst remaining hands on, directing and supporting operatives to ensure efficiency and the highest level of operational and customer service standards.

You will also manage visitors, depot compliance, resource organising and operating plant equipment as well as having to complete formal courses and qualifications relating to WAMITAB and HSE.

To be considered you must have previous supervisory experience in a similar industry relating to a depot environment, construction, waste, engineering or aggregates, be safety conscious and be prepared to adapt to business priorities.

For all details email your CV to Rebecca@candovergreen.com with **job ref: RB2058**
