

**HGV Mechanic**

**North West**

**£Attractive**

---

We are working with a global leading waste services company who require an experienced, hands on technician with LGVs experience to join their team and prepare LGVs for MOTs to DVSA standards as well as diagnose faults, carry out repairs and comply with good working practices.

In order to be considered you will have previous vehicle technician experience, ideally fabrication skills, knowledge of DVSA legislation, experience of working on Scania, Volvo and DAF trucks and you must have a full UK driving licence although a LGV category C driving licence would be useful.
