

**Operations Manager**

**East Anglia**

**£Attractive**

---

Our client, is looking for an experienced operations manager to join their team and take on responsibility for their municipal waste collections service within East Anglia.

You will lead and effectively manage all operational environmental and waste services that are run from the designated area to ensure the most efficient, effective performance and smooth logistical operation of refuse services and ensure compliance with statutory processes, with strong health and safety focus, as well as a number of other duties as required.

The ideal candidate will have experience of working in an environment that demands high standards of health, safety and logistics management, has a solid track record of delivering in high pressure situations, COTC desirable along with a full clean UK driving license.
