

Letters of Credit Specialist

North West

£Attractive

We are working with a global waste management leader who have a new opportunity for an experienced letters of credit specialist to join their team and take on responsibility for the processing of letters of credit, collections and other trade finance products as well as processing all life cycle events of letters of credit (export – issue, advise, amend, acceptance, discount, payment, document checking), checking circa 10 documents a day coupled with knowledge of UCP 600, URC 522, ISP98, URR725, ISBP 745 and ICC incoterms 2010 and liaising with customers to ensure payments are received in a timely fashion, alongside a number of other duties.

To be considered you will have previous experience of issuing Letters of Credit within the export industry, have a proven ability for meeting tight deadlines and remaining calm under pressure and knowledge of the above documents.
