

Depot Manager

North West

£Attractive

We are working with a global leader within the waste industry who have the opportunity for experienced depot managers to join their team and take on the responsibilities for the Operations and Commercial activities within a challenging but rewarding environment.

The successful candidates will lead a team of dedicated Operations and Administration staff, manage visitors to the depots; customers, drivers and contractors and ensure the depot is working in line with Health & Safety regulations and industry legislation.

To be considered you will have previous experience of leadership within waste/recycling/aggregates or construction industries and hold appropriate qualifications such as WAMITAB. You will be safety conscious and able to work to tight deadlines.
