

## Assistant Commercial Manager

**Bristol or London based**

**£-attractive**

We are working with a leading resource business who have the requirement for an Assistant Commercial Manager based in Bristol or London to assist in the successful management and control all aspects of the commercial, financial and contractual elements of the designated PFI/FM contract(s) in order to control and maximise the company's profitability and to protect the companies legal and contractual obligations under the contract(s). This role will focus on the administration of the contract(s), with due regard to management of risk (including proactive measures to mitigate deduction exposure), recovery of contractual entitlement along with support for the delivery of projects and variations (inclusive of procurement support). The Assistant Commercial Manager will report to the Commercial Manager and will be expected to work closely with the various operational and functional leads of the respective contract along with both supply chain and client-side stakeholders. The successful candidate will therefore be expected to build strong relationships based on trust and transparency to improve the performance of the contract(s). In order to be considered for this role you will have the following skills; Commercial management and contractual interpretation; PFI payment mechanism; Sub-Contract management; Basic accounting principles and strong numeracy skills; Change management control; Degree qualified; 2-3 years of operational commercial experience preferable; IT skills – MS Office, Excel, Project, Word; Excellent Time Management; Ability to work under pressure; Prepared to work within various geographical areas; Confident; Self-motivated; Good verbal and written communicator; Ability to work both alone and as part of a team; Resilient.
